

Binary Group Wins 2009 SmartCEO/BDO Seidman Future 50 Award
Firm recognized as one of fastest growing companies in Greater Washington

Arlington, VA, February 6, 2009 – Binary Group announced today it has been named to the *Washington SmartCEO* magazine/BDO Seidman LLP 2009 Future 50, which recognizes the 50 fastest growing companies in the Greater Washington area based on employee and revenue growth over a three year period.

“As an evolving company, we are delighted to be among the Future 50. During this process, I was elated to learn a fellow Future 50 winner listed Binary as the company they admired and also the “buzz” about our clever terminology in the use of the term “Binarian” [the name we call ourselves at Binary]. A defining moment for Binary and all Binarians,” said CEO, Rose Wang.

Winners of *SmartCEO*'s 4th Annual Future 50 will be recognized at a soccer themed black-tie dinner event on January 29, 2009 at the Hyatt Regency Bethesda in Bethesda, MD. The keynote speaker for the event is Kevin Payne, President and Chief Executive Officer of DC United. The 50 Greater Washington companies who receive the award are also profiled in the January issue of *SmartCEO* Magazine.

“Each Future 50 winner has effectively translated their passion and innovation into tremendous growth and success,” said Jaime Park, Group Associate Publisher at *SmartCEO* Magazine. “We are honored to recognize Binary Group as one of the 50 fastest growing companies in Greater Washington.”

Washington SmartCEO magazine is a regional “growing company” publication. *SmartCEO* believes that a “growing company” is really determined by the spirit, drive and dynamics of a company's owners and managers, rather than by the size of its building, the number of its employees, or its sales volume. Each month, a variety of businesses in the greater Washington and greater Baltimore areas turn to the pages of *SmartCEO* for features, case-study advice and trend analysis, all with a uniquely local flavor. *SmartCEO* is read by more than 34,000 business owners in Baltimore and Washington.

“Binary Group has overcome formidable challenges and obstacles on the path to success, and we are excited to once again have the opportunity to celebrate the achievements of all our Future 50 winners,” adds Tony Cord, Managing Director, Strategic Development at BDO Seidman LLP, title sponsor for the 2009 Future 50 Program. “Today's fast growing Future 50 companies represent tomorrow's leaders that will provide the foundation for the Greater Washington business community for years to come.”

For a complete list of winners, visit www.smartceo.com. Nominations for Future 50/Emerging Growth closed mid-October and are expected to open mid-August for 2010 nominations.

About Binary Group

Headquartered in Arlington, Va., Binary Group Inc. serves mission-driven leaders with enterprise-level responsibility in information technology by providing best value, strategic IT program support services that are free of organizational conflict of interest (OCI). Binary delivers strategy, architecture, governance, engineering design, and related management and planning to federal government customers including U.S. Army, U.S. Navy, U.S. Air Force, Office of Secretary of Defense, Army Corps of Engineers, and Defense Information

Systems Agency (DISA). Binary ranked #5 as the Washington Business Journal's Top 50 Fastest Growing Companies in the Washington DC Metropolitan area in 2007. Binary is the four-time recipient of the *Washington Technology* (WT) Fast 50 award since 2005. Binary has been ranked as part of the Inc 500. Binary is employee and customer-centric and is a great place to work and play.

Title sponsor, BDO Seidman LLP is a national professional services firm providing assurance, tax, outsourcing, financial advisory and consulting services to a wide range of privately held, publicly-traded and tax-exempt organizations. According to Tony Cord of BDO Seidman, "High-growth companies have unique strengths and challenging requirements. As a CPA firm, our people truly enjoy the opportunity to serve the complex needs of companies like these, so BDO is proud to serve as the Title Sponsor and I am delighted to work as Co-Chairman of the event with SmartCEO Publisher Craig Burris."

SmartCEO's public relations partner, Lustig Communications, based in Rockville, MD, delivers strategic media relations and communications services to fast growth companies, emerging technology firms, Federal IT providers and start-ups. Core capabilities include media relations with impact, strategic messaging, thought leadership content creation (white papers, articles, Web content) and internal communications. Lustig Communications identifies where each client's influencers reside, and then builds innovative and focused public relations programs - offline and online - that effectively reach these decision makers and deliver a tangible return on investment.
